SDS - 11-63-Revised

TITLE I, PUBLIC LAW 480: TOTAL AMOUNTS PROGRAMED AND SHIPPED THROUGH JUNE 30, 1963,
AND SHIPMENTS BY 6-MONTH PERIODS, FROM JULY 1, 1959, THROUGH
JUNE 30, 1963, BY COUNTRY AND COMMODITY.

This report shows the total amount programed by commodity for each country, under agreements signed through June 30, 1963, for the sale of U.S. agricultural commodities for foreign currency under Title I, Public Law 480, and total quantity and estimated market value of shipments for the period January 1, 1955, through June 30, 1963, and by 6-month periods from July 1, 1959, through June 30, 1963. Data for the fiscal years 1955 through 1959 by 6-month periods are shown in SDS-7-61 issued May 24, 1961.

The amount programed is the amount specified in the agreement, exclusive of ocean transportation, as modified by purchase authorization transactions. The quantity shipped is based on tonnage shown on ocean bills of lading. The value is estimated export market value, basis U.S. port of export. Estimates are revised to reflect actual amounts financed by CCC when this information is obtained for completed purchase authorizations. These revisions account for most differences from amounts shown on previous reports.
